SYSTEM	

There were two pending House bills in the 2020 session of the N.H. Legislature, which were requested by the MECRS Board of Trustees; HB-1292 and HB-1293. Copies of both bills can be found on this site along with copies of two announcement notices which were prepared, one for active members and one for retirees. Due to the COVID-19 pandemic, both bills died in the Senate as of June 29, 2020. Both pieces of legislation have been reintroduced for the 2021 session by request for the MECRS Board and will be tracked and reported here.
