

Travel Directions to Manchester Employees' Contributory Retirement System

The Manchester Employees' Contributory Retirement System, (MECRS) is located at 1045 Elm Street, Suite 403, in Manchester, NH. Parking on the street is limited to two hours and open spaces can be difficult to find at times. A good alternative is to park in the Victory Parking Garage on Vine Street just a half block from MECRS. Rates are reasonable and the garage is never full but be mindful of one way streets in the downtown area, (note map).

Our office is located on the corner of Concord and Elm Streets and Margarita's Mexican Restaurant occupies the ground floor making it easy to locate our building. Access to the office is from the Elm Street side and is clearly marked "Chase Building, 1045". Once inside the foyer, an elevator will take you to the fourth floor and you can follow the signs to Suite 403.
